Year	Description			
	DLA Citation	DLA Librarians Citation (Distinguished Librarian Citation?)	DLA Distinguished Service Citation	DLA Trustee Citation
	...is open to any library staff member in Delaware who is active in supporting library activities and interests by service to DLA in any capacity. This individual should be singled out because of continued service in elected or appointed positions on the Executive Board, on advisory committees, standing committees, and ad hoc committees which serve DLA.	This award is to be given for extraordinary library information or media services in a given year.	...to any person, except staff and trustees currently employed in any library in the state of Delaware. This individual must have been active in supporting library development and services in the state. This citation is intended for the individual who, over a period of years, has shown strong support of libraries but who is not professionally engaged in library work.	This award is to be given to a library trustee who has contributed significantly to the development, support, and appreciation of a local library.
