

## DASL Executive Report - November 2017

Rachel West, President

### Advocacy:

Newsletter went out Wednesday, Nov. 15 with an update from the Town Hall meeting on Nov. 1 on the Wilmington School Partnership.

### Membership:

Thanks to Sara Thomas for an updated membership list. Jennifer O'Neill has reached out to each school district and designated a DASL liaison to share updates and meeting information with non-members. At least one of those districts (Smyrna) didn't have any DASL members--is it possible to offer a complimentary 1 year membership since she's serving as liaison?

### Meetings:

Our Fall Division meeting on October 10th was well-attended (comparatively speaking, for us) and by all reports, a success. I was unable to attend due to a medical emergency in the family. We have scheduled another meeting on January 10th for Annie Norman to give us a "State of the Libraries" update.
