

Delaware Library Association
Public Library Division
Annual Report 2010-2011

There were no programs planned for the Public Library Division during 2010-2011. The Division officers held one meeting in November to discuss possible conference programs for the MLA/DLA conference in May. One program on Civic Reflection was planned but later cancelled when it was discovered that MLA had a similar program already scheduled.

The officers for 2010-2011 were:

President – Carol Fitzgerald (Sussex County Department of Libraries)
Vice-President – Chris Paolini (Wilmington Library)
Secretary – Michelle Hughes (Dover Library)

Since officers were new to active participation in DLA/PLD, the vice-president and secretary agreed to stay on another year in their respective roles.

The PLD Board presents the following slate of officers for election at the PLD Business meeting at the 2011 Annual Conference:

President – Pat Birchenall (Newark Library)
Vice-President – Chris Paolini (Wilmington Library)
Secretary – Michelle Hughes (Dover Library)

Respectfully submitted

Carol Fitzgerald
