Annual Report 2008-2009

The officers elected for the 2008-2009 year were President: Jill Di Paolo (Delaware Division of Libraries), Vice President Beth Kloetzer (Claymont Library) and Secretary/Treasurer Veronica Schell (Delmar Public Library). Early in the year Jill Di Paolo resigned from her position as President and Beth Kloetzer stepped in as President-Elect. Sherri McCarthy (Newark Library) was then elected Vice President. Sherri McCarthy has just resigned from her position as Vice President and that position is currently vacant.

The only activity for the year is the award of the Distinguished Librarian Citation to Dick Krueger for his fifteen years of service with the Kent County Public Library.

Respectfully submitted,
Beth Kloetzer
