

Delaware Library Association
Public Library Division Annual Report 2009-2010

There was no activity for the Public Library Division during 2009-2010. The Division did hold one meeting to discuss planning for a state wide workshop, but due to a variety of reasons we were unable to put our plans to fruition this year. Some of the suggestions we discussed included workshops on the use of social networking in libraries, collection development and working with the difficult customer.

The officers for 2009-2010 were:

President – Beth Kloetzer (Claymont & Elsmere Libraries)
Vice President – Charles Silverman (Hockessin Library)
Secretary/Treasurer – Veronica Schell (Delmar Public Library)

The current officers must step down and are looking for new officers to take the lead for 2010-2011.

Respectfully submitted,

Beth Kloetzer
