

Delaware Libraries need your support!

Preserve funding for the statewide library technology infrastructure, including the Delaware Library Network & Delaware Library Catalog, sharing 2.6 million items among 60 participating libraries.

Now more than ever, Delaware Libraries support diverse needs every day:

- The preschooler, exposed to reading through storytime
- The teen who wants to experiment with new technologies
- The senior who is seeking community connections and conversation
- The adult who has a dream and wants to start a business
- The senior who is seeking information about family roots and ancestors
- The student who needs help with homework and school projects
- The immigrant who wants to learn English
- The single parent, who wants to take charge of finances
- The middle aged adult who was just laid off and desperately needs a job
- The homeless person who needs shelter, food, and in some cases mental health care
- The person who needs assistance with computers and devices
- And on and on...with over 4 million visits per year!
