

## TRANSFORMING TEEN SERVICES: COMPUTATIONAL THINKING

WEDNESDAY, APRIL 28

9:00 AM - 2:00 PM

- ◇ Understand the value of integrating computational thinking (CT) into activities for and with students.
- ◇ Articulate core concepts of CT.
- ◇ Begin designing activities for and with students that connect to CT.
- ◇ Connect CT to pre-existing library activities and services.

ALFRED G. WATERS MIDDLE SCHOOL
