

Delaware libraries are essential to a vibrant community life.

## THANK YOU for recognizing the value of libraries in your communities and for your continued funding of library services!

### SCHOOL Ready!

Registration in Dolly Parton's Imagination Library surpassed 12,000 preschool children, and counting! (October 2020).

A NEW online library card launched in March 2020, with an average of 882 registrations per month. About half of Delawareans have a library card!

As of November 2020, the Delaware Library Consortium piloted online library cards for students in 4 public school districts.

### FREE Books for Children!

Provides free books to children ages birth up to their 5th birthday statewide!

### HEALTH Ready!

Social Worker Virtual Appointments are available to library patrons

Delaware libraries joined Unite Delaware, a partner referral platform, to access the right service for the right need at the right time

*Delaware Journal of Public Health*\*\* "Public Libraries & Public Health" in September 2020 is a national model for libraries' role in social infrastructure on behalf of community health.

Librarians are second responders to assist Delawareans with recovery during personal and community crisis.
