

Develop your career with Skilltype

DelawareLibraries.org

Join Skilltype's global community of library and information professionals. Whether you work in circulation, children's services, collections, metadata, reference, or technology, Skilltype's resources and insights help staff thrive. Public library staff, academic librarians, archivists, school librarians, and information school students will find tools to keep up to date, track your progress and anticipate the evolving needs of your patrons.

Thanks to a unique partnership with the Delaware Division of Libraries, members of the Delaware Library Association can join Skilltype at no cost.

Key features

Central Index

Global repository of over 11,000 trainings and events linked to standardized competencies
